The Proposed Court Rule No.2003-47 Is An Unconstitutional Effort By
Corporations, Big Business, And The Asbestos Industry To Take Working
People's Lawsuits Out Of Court And Out Of The Hands Of Juries. I
Believe The Asbestos Industry Should Be Accountable In Court
For All The Harm They Have Done.
The Michigan Supreme Court Should Not Change The Rule Of Law,But
Interpret The Law. Every One Has The Right To Be Heard.
A michigan Resident.
